

Christmas Masterclass Extravaganza

This year, we're offering something different! Unleash your creativity and create a handcrafted centrepiece that will be the perfect addition to your festive dining table. Alternatively, we've added in two dates for creating a traditional wreath to decorate your front door. We are delighted to welcome back Alison from North East Events to walk you through every step of the way while having a bit of fun.

Enjoy this event which includes 2-hour session of crafting, glass of bubbly on arrival, followed by an afternoon tea on Saturday and Sunday lunch on Sundays for early afternoon sessions. For later afternoon sessions, there will be an early supper following the masterclass.
